Tanfel's music career is not found on stage, but behind the stage supporting companies like yours. We have a history of working with music industry leaders and would like an opportunity to work with you. We understand the unique requirements in the music industry. We will work with you on engineering, prototype through mass production and supply chain management.

LET TANFEL MAKE SOME MUSIC FOR YOU.

THE TANFEL ADVANTAGE:

- Global pricing, superior quality and local service
- Strong design and engineering support
- Single source accountability and management
- Domestic warehousing and logistics
- Strict focus on quality
